LARRY,
We have had some "hot" times together. All I can say were very pleasant (I am a liar). Remember **Wrestlers rock 'em** All the excitement + frustrations we had during these three years in wrestling at F.H.S. I sincerely hope we can have the same fun **loss 'em and turn 'em** at Central. You've got a great persona but I wished you would relax + not get too emotional. Bc like me don't give a damn over this hello world. You will die sooner or later so make the best out of life now. That does not mean to get drunk. I know you will though. Larry,
I don't understand why you didn't
leave a space on the front cover, right
in the middle for my autograph.
But I guess it must be that you have
so many buddies that a book this
size isn't big enough anyway. For
extra added attractions, add my
picture, because Ross is about to
pass out one of his crazy exams.
